ACTIONABLE POINTS ON PERFORMANCE AUDIT OF LKA

- i. The Akademi should ensure that the projects assigned get completed on time and the research material should be brought out in the form of a publication after proper editing.
- ii. The Akademi should focus on the research on Development of post Independent Indian Art in chronological order covering all the States of India as nothing has been done in this area at present.
- iii. The Committee suggest that a copy of these unpublished project reports should be kept in the archives of the Akademi for the reference of art students and researchers and archives section should have a technical staff to handle these resources.
- iv. The Committee suggests that the Akademi should hold the International events without break and should have a permanent Triennale unit. The Akademi should have its presence in major International Biennales including Venice Biennale.
- v. The Committee feels that Akademi should hold more of such exhibitions not only in Delhi but in all parts of the Country in collaboration with reputed galleries and institutions as it is practically not possible for Akademi to source artworks from various collectors for holding such exhibitions with its existing structure. The committee feels at least one such major retrospective exhibition should be organized by the Akademi every year.
- vi. The Committee feels that current exhibitions in its galleries are substandard and proper review should be done while allotting the galleries. The committee suggests that Akademi should showcase collections by various organizations like Bharat Bhavan, Bhopal, IGNCA in its Galleries in collaboration instead of renting out galleries to amateur artists as the mandate of the Akademi is to promote visual art and not to generate revenue.
- vii. The Committee suggest that the Akademi should revive its Artists on Art, Critics on Art Series by inviting Senior Artists which were quite regular few years back.
- viii. The Committee suggest that the Akademi should create prior publication structure for maintaining the periodicity of its publications by filling the crucial vacant posts of Editor (Ancient Publications), Asst. Editor (C), Production Assistant etc. as well as creating new posts which are necessary like Chief Editor, Designer, Proof Reader and copy Editor etc. as publications is one of the core area of Akademi's activities.
- ix. The Committee was also told that the Akademi has recently reviewed its policy on financial Assistance and broaden its scope by including NGOs and other organizations. The committee suggests that only reputed organizations should be considered for financial assistance.
- x. The Akademi gives scholarship of Rs. 20,000/- per month to 55 young artists who are assigned to work in any of Akademi's Regional Centres.

Note –Fifteen (15) scholars from the North East Region has been increased by the Akademi for the scholarship to encourage and promote the visual art in North East Region.

- xi. The Akademi should implement recommendations of the HPC and consider holding more collaborative exhibitions of reputed artists, holding of Triennale-India exhibition at regular intervals and improving the standard of National Exhibition of Art.
