

Minutes of the Meeting of the Expert Committee held on 14th, 15th,17th and 18th October, 2013 under the Performing Arts Grants Scheme (PAGS).

The Expert Committee for the **Performing Arts Grants Scheme (PAGS)** met on **14th, 15th,17thand 18th October, 2013** to consider renewal of salary grants to existing grantees and decide on the fresh applications received for salary and production grants under the Scheme, including review of certain past cases, as recommended in the earlier meeting. The meeting was chaired by Smt. Arvind Manjit Singh, Joint Secretary (Culture). A list of Expert members present in the meeting is annexed.

2. On the opening day of the meeting ie. 14th October, inaugurating the meeting, Sh. Sanjeev Mittal, Joint Secretary, introduced himself to the members of Expert Committee and while welcoming the members of the committee informed that the Ministry was putting its best efforts to promote, develop and protect culture of the country. As regards the Performing Arts Grants Scheme(earlier known as the Scheme of Financial Assistance to Professional Groups and Individuals Engaged for Specified Performing Arts Projects; Salary & Production Grants), it was apprised that despite severe financial constraints invoked by the Deptt. Of Expenditure the Ministry had ensured a provision of Rs.48 crores for the Repertory/Production Grants during the current financial year which was in fact higher than the last year's budgetary provision.

3. Smt. Meena Balimane Sharma, Director, in her capacity as the Member-Secretary of the Expert Committee, thereafter, briefed the members about the salient features of various provisions of the relevant Scheme under which the proposals in question were required to be examined by them before giving their recommendations. It was expressly told that all the member experts may feel free to discuss/consult the proposals amongst themselves and that,the experts were required to record their recommendations on the master sheets of agenda being provided to them. The Member-Secretary also briefed the members about the recent decision taken by the Ministry according to which the experts were required to specifically indicate the reason/justification while recommending or rejecting a particular case and that the same should be duly recorded both on the proposal itself as well as the master sheets of agenda.

4. The Chairman also invited the experts to raise their queries and make suggestions, if any. During the course of the meeting, the Expert Committee members made certain valuable suggestions for further improvements in regard to process of making applications as well as selection of meritorious proposals which are briefly indicated as under .

- (i) That, the requisite condition of getting the applications forwarded through a central/state organisation or academy of performing art should be done away with as the artists belonging to the rural areas do not have an easy access to such Govt. organisations.
- (ii) That, multiple applications/proposals from the same individual/organisation should not be entertained.
- (iii) That, the grouping of experts should preferably be done discipline-wise instead of making it on the basis of their state of origin.
- (iv) That, the Govt. should seriously consider the issue of enhancing the individual salary grants as well as the sitting fee offered presently to the experts.
- (v) That, there should be an exclusive committee to examine the cases of renewal of salary grants, which should ideally be done after following an exhaustive audit procedure by way of involving the officers from the Ministry & its various organisations as well as the experts from the concerned fields belonging to the particular states.
- (vi) That, the Applicants may also be asked to furnish an affidavit to the effect that they have not concealed any fact while applying for the grant.

5. The Chairman invited the members to consider the agenda items. The Expert Committee discussed the agenda item-wise and after due deliberations made its recommendations in each case as under:
