"We showcase India to the world, we make all efforts to connect India to India, and we also try to bring the world to India," said culturist Sundeep Bhutoria at the Festival of Letters organised by Sahitya Akademi, Ministry of Culture. Sundeep was speaking on 'World of Letters and My Art', a session chaired by Sonal Mansingh. The panellists included Jatin Das, Ketan Mehta, Shovana Narayan and others. They spoke about their chosen field of work and their expertise. Jatin Das surprised everyone by reciting poetry. The session was attended by many noted people from various cultural fields. The recently concluded annual festival saw around 400 speakers.
