Date : July 5 to October 22, 2018

Event : **Arth-Art for Earth-The Excavated Museum of Clay by Manav Gupta**
IGNCA cordially invites you to the first of its kind public art project on environment by one of India's leading contemporary artists. The art exhibits explore nature as a museum laboratory of art, espousing sustainable development by excavating the philosophies of ancient civilizations, like Indian vedic practices, on environment. The artist converts quintessential rural Indian clay pottery into avant garde contemporary installations that embrace nature through the five elements.
