

Smt. Meenakashi Lekhi, Hon'ble
Minister of State for Culture

Shri G. Kishan Reddy
Hon'ble Cabinet Minister for Culture

Shri Arjun Ram Meghwal
Hon'ble Minister of State for Culture

Message

Swachh Bharat Mission is a national campaign that was launched by our Hon'ble Prime Minister with the aim to clean up the streets, roads and infrastructure of India's cities, towns and rural areas. Hon'ble Prime Minister exhorted people to fulfil Mahatma Gandhi's dream of clean and hygienic India. Likewise, Swachhta is equally important in government offices and area around it. So, we would like that the responsible government employees of this Ministry should make sincere efforts for a "Clean India" and "Healthy India". The appalling experience from the difficult time of COVID 19 pandemic has also taught us how important it is to include the practice of Swachhta in one's day to day life activities.

Therefore, we urge that the following measures should be followed in both letter and spirit by all the employees of this Ministry & its Organizations:-

- Keep the Office premises neat and clean
- Neither litter not let others to litter
- Limit the Printing of documents unless necessary to do so
- Avoid Single Use Plastics items
- Digitize the maximum office records and files
- Use Cotton/Khadi reusable masks instead of single use surgical masks
- Safe Waste management practices based on the concept of 'Reduce' 'Reuse' and 'Recycle' should be adopted.
- Disposal of obsolete items and e-waste to be done
- Outdoor and Indoor plants may be placed in and around the offices premises
- The entry and exit of buildings like Monuments, Museums, Libraries and Art galleries etc. should be clean, green and easily accessible for all.
- Regularly wash or sanitize your hands

Your support will go a long way in realising the spirit of Swachhta and preventing the further impact of COVID 19.

स्वच्छ भारत, स्वस्थ भारत, श्रेष्ठ भारत
